RE: Kool & the Gang Way

Dear Mr. Byrne:

The members of Kool & the Gang are honored that the Morris Canal Community Development Corp. has requested that the City of Jersey City name a street in their honor.

Robert Bell, Ronald Bell, Dennis Thomas, George Brown and the late Claydes Smith grew up in Jersey City. The band's earliest years were fostered by the support of the local community. The music programs at P.S. 14 and Lincoln High School allowed them to try a variety of instruments until they found their calling. The Jersey City Boys & Girls Club, local shop owners and St Johns Church on Summit Avenue allowed them to practice and hone their craft. The city's neighborhoods supported their earliest shows in local parks and area clubs. Jersey City played a major role in the development of the band.

Let me know if you need any information or assistance from my office.

Kind regards,

LAFAYETTE COMMUNITY LETTER OF SUPPORT

Kool & The Gang

Honorees:

Robert "Kool Bell, Ronald Bell, George "Funky" Brown, Dennis "DT" Thomas

Neighbors, friends and family vividly remember when the Bell boys moved to Pacific Avenue in Jersey City. Music was never the same after the legendary jazz funk band known as Kool & The Gang originated in a Lafayette project housing in the 60's.

"If it's kool with you, It's kool with him", said Robert Bell, but we know him as "Kool". Kool has become one of the largest and well known success stories of all time. Kool and his brother Ronald Bell moved from Youngstown, Ohio to Jersey City in the 1960's. They migrated to Whiton Street before moving on to Pacific Ave. They lived there for a few years where they met the other members of the group later to be known as "Kool & The Gang." Not too soon after discovering one another, Kool and his brother moved again to Montgomery Gardens Projects; A place graced with opportunity.

Kool and The Gang in the early days, started using the streets and small clubs around town to find their niche. Over the next 4 decades they won 3 Grammy Awards, and sold over 70 million albums. Their jamming sounds have been featured in a multitude of movies- from Rocky to Saturday Night Fever. Kool & The Gang's extraordinary music has been created by the same core players for over 30 years. Robert Kool Bell, Ronald Khalis-Bell, George Funky Brown, Dennis DT Thomas, Ricky Westfield, Spike Mickens, and the late Clyades Charles Smith.

Kool & The Gang's spirit stems from its member's powerful expressions of individuality, but they always stay true to the music that inspired them; Jazz, Blues, R&B and Pop. So it is with great pleasure to honor this monochromatic music sensation that has only grown better over time.

The neighbors of Lafayette want to honor one of their own with a street dedication of Pacific and Maple as "Kool & The Gang Way" as acknowledgement of the achievements of all the members of this legendary musicians from Jersey City

I support the renaming of Pacific Avenue and Maple Street; the length of Maple Street from Pacific Avenue to Whiton Street to "Kool & The Gang Way".

Amplified sound is intended to broadcast music and spoken word to reach the audience in attendance. Excessive amplification is unnecessary and compromises the quality of life in our city.
